

Asset Management for Councillors

Hosted by St. Clair Township

Asset Management Ontario (AMONTario) invites you to an asset management workshop on **Monday, June 10, 2019** at St. Clair Township's Council Chambers.

Description

This workshop (10 a.m. – Noon) is designed for elected officials. The objective is to provide an advanced introduction to asset management to support decision-making.

The workshop will cover concepts such as line of sight; integration of strategic plans with asset management policies and plans; levels of service; the decision-making and investment planning process; understanding asset risks and their mitigation; and discussing how Council and staff can work optimally to maximize a municipality's asset and capital planning.
