Newsletter & Agenda

Winter 2016

Message from the Chair

This has been an exciting year for our group. A lot has happened behind the scenes to set us up as a point of contact for the industry in Ontario. We formalized our relationship with CNAM National, put a path in place to expand our leadership team and formalize our roles, and

we are establishing the foundation to be able to support all Municipalities with the enactment of the new regulations that are quickly coming down the pipe.

We have already begun the process of rebranding ourselves and setting up communications to make us easier to find, communicate with and leverage throughout Ontario. I am looking forward to an exciting 2017 and another momentous year. Happy Holidays, Merry Christmas and Happy New Year! Leanne

About the Host: Town of Oakville

Located within the Greater Toronto Area, the Town of Oakville is a beautiful lakeside community with approximately 186,400 residents.

Oakville is just 30 minutes from downtown Toronto and only an hour's drive from Niagara Falls and the United States border. Visit our About Oakville page to learn more or our Getting Around page for details on transit, cycle routes and more. We look forward to seeing you soon!

Connect with the Oakville Tourism Partnership on

Twitter at @VisitOakville for information on where to stay, what to do and more. Visit the Visit Oakville

website for more details.

There is something for everyone to do in Oakville all year round. Immerse yourself in the Downtown Oakville Jazz Festival and Oakville Children's Festival during the summer, Bronte Provincial Park's Maple Syrup Festival in March, or the wide range of activities organized each season by Oakville's three Business Improvement Associations. See a listing of more events in Oakville by visiting the Visit Oakville website.
