

# Complying with Ontario's Asset Management Regulation

## Chatham-Kent, Ontario

### May 28, 2018

A Workshop offered by Asset Management Ontario made possible through the generous support of the Government of Canada and Federation of Canadian Municipalities.

## Description

Asset Management Ontario (AMONTario) is hosting a one-day workshop to help municipalities comply with Ontario's new Municipal Asset Management Regulation. The purpose of this workshop is for participants to take away practical insights that they can apply in developing their respective municipalities' strategic asset management policies and asset management plans. The workshop will provide a combination of theory/information-sharing as well as practical application that will help municipalities comply with the new provincial asset management regulation.

Presentations and a Workshop including topics:

- Examples of Asset Management initiatives in small, rural municipalities;
- Building an understanding of your organization's asset management maturity level, identifying gaps and strategies for addressing them;
- Guidance around developing a Strategic Asset Management Policy;
- Understanding and identifying Levels of Service.

The event is **free** to all municipal staff. Registration is required. Please register at <https://www.amontario.ca/> with your organizational email address.
